The Chairperson,

Hattiban Social Service Center (HSSC),

Kathmandu

Subject: About the project progress report.

Dear Madam,

First of all, I would like to thank you for the support of the school's water project. We have nearly accomplished the works designed in our project. From the first installment of the project, we've done maximum work possible. I've attached the progress report with this letter. I would like to request you to provide us the remaining project amount for the successful completion of the project.

Regarding the opinion of teachers and guardians, they suggested us to install Euro Guard System within that water plant for the purification of water so that the same water could be useful for drinking purpose. Therefore, I would like to request you to support us for the installation of Euro Guard. The cost of Euro Guard has been estimated and clarified in the report.

Thanking for your kind cooperation.

Regards

Anand Puri

Principal
